

Q: What is “Arts and Crafts”?

A: Ages 6 years old and up

This class is designed to stimulate your child’s artistic side while teaching him or her another language. You can expect your child to come home with a different project every class (unless a project needs to dry or needs to be finished). The children will be taught basic vocabulary in addition to the vocabulary needed for the class (shapes, colors, numbers, material, and action verbs).

The minimum children/class is 3; the maximum is 8. We always try to make a class according to the children’s age and level.

Class Duration: 1 Hour

Languages: French or Spanish (only in Darien)
